Butyl 62 - Rubber Cable Jointing Tape

Stock Code	408-BUTYL
Pack Qty	10
Box Qty	100
Dimensions	62mm x 3mm x 600mm
Material	Putty
Colour	Black

Putty sealant. Butyl putty and 3M Scotchfil Electrical Insulation Putty Tape are electrical grade, rubber-based, elastic-type putties in tape form.

Use it as a build-up compound on highly irregular surfaces, such as fittings and valves, to provide a smooth, waterproof taping surface.
